Leather with Natural Dyeing

and that embraces the beauty and wisdom of local traditions  
oprint on fabric and leather using natural dyes. We offer  
only aesthetically pleasing but also environmentally friendly,  
ophy of sustainable fashion.

chnique, we apply natural motifs from leaves and flowers  
nd leather, creating unique and exclusive patterns. Each  
istinct character, as every leaf imprint produces a different  
ece truly one of a kind.

ng process utilizes natural sources such as teak leaves,  
ny, and indigofera, resulting in warm and elegant hues. This  
nhances the aesthetic appeal of our products but also  
mental impact compared to synthetic dyes.

re, we aim to revive traditional textile art with a touch of  
le supporting the sustainable fashion movement. We believe  
t with the preservation of nature.
